SUPERTRANSPORT

STARTS NOVEMBER 2, 2026

FOR OWNER-OPERATORS AND TRUCK OWNERS LEASED TO SUPERTRANSPORT

KNOW A GOOD OWNER-OPERATOR?

$500 for each one who leases on with us.

$250
after their first 30 days

$250
at 90 days

HOW IT WORKS

1. **Send them our way.** They call or text recruiting at (816) 540-1174, or apply at gosuperdrive.com/apply.
2. **They put your name on their application.** No name on the application, no bonus. That's how we know they came from you.
3. **They lease on, and you get paid.** $250 after their first 30 days and $250 at 90 days, as credits on your settlement. To get each $250, you both need to still be leased on with us on the day it's due.

WHO COUNTS

A new owner-operator with their own sleeper tractor and 2+ years of verifiable experience, who isn't already leased on with us and hasn't already applied.

NO LIMIT

Refer as many good operators as you know. Each one who leases on pays you $500.
